Testing prompts Wolverine to offer water filters to more homes
MLive

http://www.mlive.com/news/grand-rapids/index.ssf/2017/11/testing_prompts_wolverine_to_o.html

Nearly a month after Wolverine World Wide expanded its groundwater testing area for the fourth time to include 300 additional homes, the company is now offering those residents water filters.

Wolverine executives announced Wednesday, Nov. 15, that any home in the southeast expansion area whose water has any level of PFOA or PFOS would be eligible for a whole-house filtration system.
